

# ABDERRAHMANE MAKHLOUF

## HIGH SCHOOL GRADUATE

Algiers, Algeria | abderrahmane.makhlouf12@gmail.com | www.abderrahmanemakhlouf.com

### SUMMARY

High-achieving Technical Mathematics graduate, ranked 1st in class with a 17.47/20 grade. Combining a solid mathematical foundation with professional certifications from Google, IBM, and Cisco, I am driven to pursue an Information Technology degree through the Romanian Government Scholarship to contribute to the future of Algiers' digital infrastructure.

### SOFT SKILLS

Problem Solving  
Critical Thinking

Adaptability  
Fast Learning

### TECHNICAL SKILLS

Computer Networking  
Programming Basics

Troubleshooting  
Algorithms

### EDUCATION

#### High School Diploma in Technical Mathematics

Sep 2021 - July 2024

El Malha El Djadida 02 High School - Algiers

- Grade: 17.47/20 (Very good)
- Rank: Ranked 1st in class and 2nd in the entire school.
- Academic Excellence: Achieved top marks in Mathematics, Physics, and Technical Subjects.

### HONORS AND AWARDS

#### Open Doors International Olympiad – Stage 1 Qualifier

September 2025

Computer and Data Science Track

- Ranked 4th place globally in the first stage of the competition.
- Achieved a perfect score of 100/100 in the Portfolio evaluation, demonstrating exceptional academic background and readiness for the most competitive academic programs.

#### Certificate of Honor

August 2024

Municipality of Djasr Kasentina

- Awarded by the President of the Municipal People's Assembly of Djasr Kasentina in recognition of academic excellence as one of the municipality's top-performing students.

#### Certificate of Excellence and Pride

July 2024

El Malha El Djadida 02 High School

- Awarded by the Principal of El Malha El Djadida 02 High School for outstanding academic achievement and ranking among the top students.

### CERTIFICATIONS AND ONLINE COURSES

#### Artificial Intelligence fundamentals | [View Certificate](#)

August 2025

Issued by: IBM SkillsBuild

- Explored the core concepts of AI, including Machine Learning, Deep Learning, and Neural Networks.

#### Introduction to Cybersecurity | [View Certificate](#)

August 2025

Issued by: Cisco Networking Academy

- Gained insights into securing networks and personal data, while understanding the ethical and legal aspects of the cybersecurity industry.

## The Bits and Bytes of Computer Networking | [View Certificate](#)

July 2025

Issued by: Google (via Coursera)

- Gained practical knowledge of networking hardware, internet connectivity, and troubleshooting network communications.

## Technical Support Fundamentals | [View Certificate](#)

April 2025

Issued by: Google (via Coursera)

- Gained practical skills in customer service, troubleshooting, and infrastructure setup to solve technical problems.

## PROJECTS

---

### Personal Portfolio Website | [View Project](#)

November 2025

Using HTML, CSS, JavaScript

- Developed a responsive personal website to showcase academic achievements and technical projects.
- Enhanced UI/UX through custom CSS styling and layout optimization for seamless mobile and desktop browsing.

### Small Office Network | [View Project](#)

October 2025

Using Cisco Packet Tracer

- Designed and implemented a segmented network architecture to connect HR and Sales departments using Static Routing.
- Configured and optimized hardware including 2 Routers, 2 Switches, and 2 Servers, ensuring 100% connectivity across the infrastructure.

### To-Do List App (CLI) | [View Project](#)

September 2025

Using Python Programming Language

- Developed a Command-Line Interface application as a practical project to apply algorithms and data structures concepts.
- Focused on algorithmic problem-solving by creating custom functions to add, manage, view, and remove tasks through terminal input.

## INTERESTS

---

### Tech Exploration

Avid reader of technical articles and staying up-to-date with the latest trends in AI, Cybersecurity, and Cloud Computing.

### Physical Fitness

Dedicated to regular gym training and playing football, which helps maintain high levels of discipline, teamwork, and persistence.
